

FLOX ACOUSTIC DIVIDING WALL | ACOUSTICAL OFFICE PARTITION | ACOUSTIC ROOM DIVIDER

\$3,864.38

A lightweight, flexible partition screen designed to maneuver effortlessly and conform to virtually any space. Neutral color panels allow for customization to enhance the design of your environment while also serving as a sound absorbing barrier in open workspaces and VOC pollutant eliminators. Available in three colors, FLOX sound absorbing panels can complement the design of any space. Each panel is easily removable for quick re-configuration of panels or use as a mobile display.
