

### 3-SIDED WELLNESS SCREEN | U-SHAPED ACRYLIC SNEEZE GUARD

**\$178.20**

- Transparent acrylic sneeze guard creates a physical barrier between people to better support wellness initiatives, while still allowing proper voice and visual interactions
- Helps reduce exposure to droplets and moisture produced by sneezing, coughing and talking
- Freestanding design features living hinges for fold-flat portability and adjustable side panel position
- Can be kept portable or adhered to any solid surface with 3 adhesive mounting brackets (included)
- Panels are made from 100% clear acrylic for simple maintenance
- Smooth, rounded corners and clean edges on all components ensure a professional look and safer handling
