Why Buy Our Freestanding T-Shaped Office Divider?

Looking to add a freestanding T-shaped office divider to your business or workplace? The [Sapphire Cubicle System](#) makes it possible to create nearly any shaped room dividers you can imagine. This modular, commercial-grade cubicle system is both versatile and durable. Its lightweight aluminum frame and demountable construction makes it the perfect choice for any office or work environment.

Because of its scalability and design, any freestanding T-shaped office divider can be added to if needed. Also, the **Sapphire Cubicle System** features a variety of choices for the panels (multi-colored fabrics, patterned laminates, and tempered glass) and offers panels reaching 39", 52", and 65" in height. And

don't forget, this cubicle system also offers electrical cord/data networking cable conduits along the base of each panel to hide cable clutter.

What Comes With This Product?

The freestanding T-shaped office divider pictured on this page consists of our **Sapphire Cubicle System** divider panels with laminate panels. Select colors for the panels, change the overall dimensions of the workspace sizes, or adjust the height of the divider walls. It's completely freestanding, no need to bolt it to the wall, floor, or ceiling. Use it to partition off areas such as examination rooms, classrooms, and waiting areas.

What Else?

Finally, it's important you have a clear understanding of all options, accessories, and preferences available for our freestanding T-shaped office divider. For this reason, we suggest you contact *SKUTCHI Designs Inc.* today. Whatever questions you have, we can answer. Our goal is to make ordering your cubicles as easy as possible.
