PRODUCT DESCRIPTION

The **SAPslim Cubicle System** is extremely versatile.

With it, you can create intricate cubicle configurations or, in this case, a simple divider wall to define and separate work spaces where none existed prior.

The importance of divider walls between employees contributes to a safer, properly socially distanced office. The **SAPslim Cubicle System** walls are lightweight and covered in non-porous laminates which are easy to clean and disinfect regularly.

Pictured here is a simple single wall divider configuration composed of our frosted polycarbonate. You can add locking caster wheels on the base or leave it freestanding as pictured. And don't forget, the
