

FULL MOTION DUAL MONITOR DESK MOUNT - UP TO 27"

\$62.62

This heavy duty dual monitor mount will secure your monitor screens to your desk and you can feel confident that they won't budge. This mount is extremely versatile and supports a variety of monitor models and brands up to 27 inches in size.

Lead Time: 2 Days

Features

Each arm can support up to 22 pounds with ease, and you can choose to place the screens in either a portrait or landscape position depending on your needs. Keep your workspace looking tidy, and place the cords from your equipment in the cable management clip located on the back of the pole. See how an ergonomic solution can help improve productivity and reduce strain on your back and eyes!
