

TRIPLE MONITOR DESK MOUNT - SILVER - BUILT IN AUDIO PORTS

\$207.23

This triple monitor mount and stand allows you to clear out your desk space, while providing a comfortable and ergonomic monitor height. Say good bye to that nagging neck and shoulder pain, and increase your productivity with three screens. The extra-long arms and full motion arms allow for multiple monitor set ups for both work and gaming needs. The cable management sleeves offer a clean, clutter-free look. Enjoy using the audio ports built into the base of the mount, and charge your devices while you work. This full motion monitor mount comes with the option of either a clamp of grommet base.

Lead Time: 2 Days

Features

Ergonomic office setups are all the hype for a good reason. Sitting for extended periods of time can cause you to feel groggy, and you may experience discomfort in your neck from slouching, or eye strain from unwanted glare beaming onto your screen. This triple monitor desk mount will help to alleviate that discomfort, and you will also have the luxury of more desk space for other office essentials. Each VESA head bracket is compatible with 75x75 and 100x100 mm displays, and can hold 14.3 lbs. per arm. Swivel each monitor head up to 180 degrees, and tilt up or down 90

degrees.
