

WALL MOUNTED DUAL MONITOR WORKSTATION - SILVER

\$201.86

This dual monitor wall mount is extremely versatile and can be used while you write blog articles, edit photos, or even analyze your company's financial reports. Not only will you feel more energized and productive by switching back and forth between sitting and standing, you will also be able to save space and keep a clutter-free environment with the help of the cable management system. Enjoy the added bonus of the CPU wall mount and keep your valuable equipment off of the ground. Experience the difference this workstation can make for you, today!

Lead Time: 2 Days

Features

This dual monitor wall workstation will not only save space, it will also promote healthy movement throughout the day, giving you more energy to be more productive. The height can be easily adjusted to accommodate various heights and users. The monitor mounts can fit screens up to 27 inches and VESA 75 and 100 patterns. Swivel the workstation left and right, and rotate the monitors to suit your viewing needs.
