

POWER MODULE WITH 2 POWER AND 2 USB OUTLETS - BLACK OR SILVER**\$620.40**

Upgrade your conference table (sold separately) and give your guests, clients and colleagues convenient, tabletop access to AC outlets and USB ports for computers, projectors, phone chargers and more with the Safco Power Module. Featuring two grounded AC outlets and two USB ports, it is designed to fit within one of the grommet openings on the top of a conference table, making it simple to reach critical power connections during important meetings. Run the module's 6-foot extension cable from underneath the table to the nearest outlet to power it up. USB ports are for power only.
