ALPHABETTER ADJUSTABLE HEIGHT STAND-UP DESK, DRY ERASE TOP AND SWINGING FOOTREST BAR

\$558.00

With the AlphaBetter Desk students have a new desire to learn. With our exclusive patented Pendulum Footrest Bar students have a new way to sway. The footrest allows students to swing their feet providing extra movement to burn off excess energy. In addition it helps to correct posture. The steel frame with Black powder coat finish is built for long lasting durability. Our large phenolic desk top will withstand the heavy use of the classroom.

Features

- Adjusts from 26" to 42" high
- Adjustable in 1¼" increments
