

INDOOR-OUTDOOR TABLE SET WITH 6 ARM CHAIRS | 31.5" X 63" RECTANGULAR METAL

\$1,227.86

The indoor-outdoor rectangular metal table with six arm chairs will give your dining room or restaurant a cool retro-vintage look. The table top measures 31.5 inches wide by 63 inches long and has a smooth top with a 1 inch edge. A stabilizing brace underneath the top gives this table increased stability while still allowing ample leg room. The café style arm chairs feature curved backs with a vertical slat, integrated arms, and a cross brace under the seat for added support and stability. Plastic bumpers on the cross brace protect the finish when stacking them. Drain holes in the center of the seat allow water to drain, preventing rust. A smooth, powder coat finish protects the set from scratches and rubber floor glides protect your floors when you need to move it. Designed for both commercial and residential use, this trendy table set will create a lasting impression whether you're serving customers or playing cards with friends. [ET-CT005-6-70-BK-GG]
