PRODUCT DESCRIPTION

Create Open Office Shared Workstations with the Emerald Cubicle Collection

Using the **Emerald Cubicle Collection**, creating open office shared workstations (like the one pictured on this page) is a snap. Featured are the tackable fabric panels, laminate worksurfaces, and storage options. This typical can be customized in a number of ways. With over a dozen colored fabrics to choose from, the possibilities are limitless. Mix and match the fabric colors by panel to create open office workstations to match your corporate brand or office place motif. And don't forget, this cubicle system also offers an upgrade for electrical cord/data networking cable conduits along the base of each panel to hide messy cable clutter.

About the Emerald Cubicle Collection

The **Emerald Cubicle Collection** by *SKUTCHI Designs Inc* is our mid-entry cubicle workstation product line. It utilizes incredibly strong yet lightweight aluminum frames with uniquely shaped connectors to create an unending variety of structures. Combined with modular panels walls reaching 39", 52", or 65" in height, this versatile desking arrangement allows for the creation of unique and scalable desking solutions for nearly any office work environment. Additionally, all **Emerald Cubicle Collection** typicals are freestanding. In other words, they are easily assembled or disassembled to move or relocate them.

Accessorizing the Emerald Cubicle Collection

The open office shared workstations on this page come with several accessory options from which to choose. For instance, choose from multiple work surface laminates, locking pedestal cabinets, shelves, lockable storage bins, paper trays, pencil holders, and just about anything else open office shared workstations might need. Also, if you have questions about all the accessories available, one of our [professional office design specialists](#) will help you put your project together. Also, you can simply call before you order at (888) 993-3757.
