PRODUCT DESCRIPTION

This electric power module is easily mounted to any desk or worksurface. It provides additional AC power outlets and USB charging ports for all your devices. Powered by a 5' power cord, this electric power module is small and discrete so it takes up virtually no real estate on your desk. Perfect for desks, conference tables, work tables, or reception desks.

Module includes three (3) separate AC outlets and four (4) USB Ports. Call or email with questions. 888-993-3757 or sales@skutchi.com.
