

ECOCENTRIC NESTING CHAIR

The ecoCentric Nesting Chair is ideal for learning and training environments. Available with two back options, the seat and back neatly nest together when not in use, saving space in multi-purpose areas. With a lightweight frame, it is easy to move and reposition to accommodate your ever changing needs. Foam seat cushion provides plush comfort. Optional Upgrades: • Upholstered back pad Price Range at \$310.75 - \$351.31
