## PRODUCT DESCRIPTION

The [Harmony Conference Table Series](#) offers this 6-person arc-rectangle conference table. It measures approximately 7' in length, 4' in width, and the thickness of the tabletop is 1". It comfortably seats up to six people depending upon the chairs you pick (chairs pictured not included).

Our **Harmony Series** features modern conference tables designed to look sleek and stylish for any boardroom or meeting room. Because our conference tables are commercial-grade and constructed from eco-friendly materials, they make them one of our top-selling products. You can choose from various options such as shape, size, bases, laminates, and data/electric modules.
