

BIN OFFICE DESK- CHERRY**\$161.63**

The problem with work desks is that while they do much, they often say little. Bin corrects the issue of desk apathy by helping you keep everything you need in plain sight. Whether you plan to use Bin to answer your homework, pen diary entries, or embark on other creative pursuits with crafting supplies, you can say goodbye to clunky storage and filing drawers that rarely get used anyway. Bin is constructed with a wood-grained melamine top and a powder-coated white metal A-frame design. A pleasant addition to your contemporary or traditional decor, Bin also comes with four foot pads to prevent scratching.

Features

- Contemporary student desk/table

- Four easily accessible cubby areas
- Wood-grain patterned melamine top
- Powder-coated white metal legs
- Foot pads to prevent scratching
- Assembly Required
