## UNIVERSAL PROJECTOR CEILING MOUNT - WHITE

**\$59.97**

Universal ceiling mount for projectors weighing up to 29.7 lbs. It offers multi directional positioning with four adjustable support arms that can fit a wide range of mounting holes. It is compatible with

most projectors. This projector mount is perfect for use in classrooms, boardrooms, restaurants or anywhere a projector needs to be mounted.

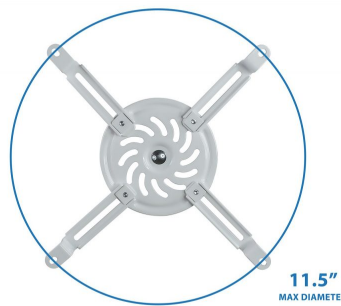

Lead Time: 2 Days

## **Features**

The quick release connector allows the projector to be installed quickly and then easily released for maintenance, without re-alignment. Heavy gauge cold-rolled steel material provides durable construction. The tilting base allows installation on flat or vaulted / sloping ceilings. Adjustable height pole provides the option of various ceiling distance adjustments for ideal projection. Full motion design offer 360 degrees of rotation, a total of 30 degree tilt and 30 degree roll adjustment. Internal cable management for a clutter-free appearance. White powder coated finish provide a sleek and modern design. The mounting system comes with everything you need to assemble a complete mount in a single box. To verify projector compatibility, please ensure the projector weighs less than 30 lbs. Then find the maximum diagonal distance between the bolt holes. The distance should be less than 11.5 inches.

**SKU:** MI-606L
