

ADJUSTABLE KEYBOARD AND MOUSE PLATFORM WITH WRIST REST PAD

\$77.95

This Under Desk Keyboard Tray saves you space and helps improve ergonomics at your desk. Maximize your workplace comfort and productivity while getting the support you need. Correct wrist and typing posture is essential to preventing carpal tunnel. Height and tilt angle adjustments allow you to position your elbows and wrists at the optimum height and angle. The tray positions your keyboard and mouse lower and closer to your body, allowing you to adopt and maintain a neutral working posture.

- Keyboard tray measures 25"W x 10"D and can accommodate all types of keyboards
- 5" of height adjustment
- Track size: 6"W x 14.125"D
- Simple assembly
- Just pull or push the plate to adjust the position of the tray
- Swivel the keyboard left and right to suit your sitting position
- Hardware provided for mounting
