

WALL CABINET - 3 COLOR OPTIONS

\$538.20

- Modular, multiuse wall-mount cabinet for custom-configured storage in workspaces, breakrooms and classrooms
- Cabinet features an adjustable shelf behind 2 doors, with 7 mounting positions and capacity to support up to 100 lbs.
- Cabinet panels constructed from $\frac{3}{4}$ " thick TFM laminate that is heat, moisture, stain and abrasion resistant
- Doors have chrome-plated, adjustable European-style hinges with self-closing mechanisms
- Cabinet exterior and interior are color-matched, PVC edge banding
- Easy assembly with metal connector pins and vibration-resistant cam-lock fasteners
- Contemporary brushed nickel hardware pulls on both doors
