PRODUCT DESCRIPTION

Why Buy Our 2-Person Reception Workstation?

Looking to add a 2-person reception workstation to your office or workplace? The **Sapphire Cubicle System** makes it possible to create nearly any kind of 2-person reception workstation you can imagine. This modular, commercial-grade cubicle system is both versatile and durable. Its lightweight aluminum frame and demountable construction makes it the perfect choice for any office or work environment. Because of its scalability and design, any 2-person reception workstation can be added to if needed.

Also, the **Sapphire Cubicle System** features a variety of choices for the panels (multi-colored fabrics, patterned laminates, and tempered glass) and offers panels reaching 39", 52", and 65" in height. And

don't forget, this cubicle system also offers electrical cord/data networking cable conduits along the base of each panel to hide cable clutter.

What Comes With This Product?

The 2-person reception workstation pictured on this page consists of our **Sapphire Cubicle System** divider walls with transactional shelves. You can select other colors for the panels, change the overall length of the size, or adjust the height of the panel walls. It's completely freestanding, so no need to bolt it to the floor or ceiling. Use it to partition off areas such as check-in desks, ticket counters, administrative areas, or wherever you need a space to manage customers/clients/patients.

What Else?

Finally, it's important you have a clear understanding of all options, accessories, and preferences available for our 2-person reception workstation. For this reason, we suggest you contact *SKUTCHI Designs Inc.* today. Whatever questions you have, we can answer. Our goal is to make ordering your cubicles as easy as possible.
