PRODUCT DESCRIPTION

Why Buy Our Glass Room Divider Wall with Sliding Door?

The **Sapphire Wall System** offers this glass room divider wall with lockable door. This highly versatile panel system--with heights ranging over 7', 8' or 9'ft--is completely freestanding. No need to make permanent attachments to your floor or ceiling. In other words, our glass room divider wall with lockable door is a breeze to set up or take down. It usually takes a few hours to assemble.

You can also customize the panels of our glass room divider wall with lockable door in a variety of ways choose all glass panes or mix in laminates and fabric panels. The **Sapphire Wall System** is a beautiful, modular wall alternative to traditional drywall construction--which can take weeks of construction and downtime.

What Comes With This Product?

Pictured here is a simple glass room divider wall with lockable door configuration in all tempered glass panels. This arrangement is ideal when you need to separate two sides of a room or hallway. Additionally, it features a sliding acrylic panel door with a floor-mounted lock.

This typical wall divider features all tempered glass panels, but we offer several fabric colors and laminates from which to choose if you'd like to replace the glass panels.

What Else?

The demountable glass partitions made with our **Sapphire Wall System** are fully compatible with any items available in our [Sapphire Cubicle System](#), which includes workstations, furniture, and accessories such as file storage, shelving, overhead storage, desks, chairs, and padded benches, paper racks, and accessory rails.
