PRODUCT DESCRIPTION

Are you in search of an executive office suite? If so, **SKUTCHI Designs** offers a variety of options and configurations to choose from within our **Sol Office Furniture Collection**. This executive office suite includes everything you need to create a stylish, modern, and functional workspace.

The **Sol Furniture Collection** is crafted with 1" thick, thermally-fused laminate surfaces which are scratch and stain resistant, as well as extremely dense. Consequently, every desk, bookcase, cabinet, table, and hutch we manufacture boasts an impressive weight and heft. Our furniture is of commercial-grade quality, designed to last for decades rather than just months.

Included in the executive office suite on this page are several key pieces: a 6.5' X 4' U-shaped desk, a 4-door hutch, a box-box-file cabinet, and a wardrobe cabinet measuring 64" in height.

In addition to these features, the **Sol Office Furniture Collection** is proudly "Made in the USA". Also, we use sustainable and recyclable materials in nearly all our manufactured furniture.

Moreover, the laminates used in this collection are designed to coordinate seamlessly with other **SKUTCHI Designs** product lines, such as our high wall cubicle system, conference tables, and credenzas.

Finally, all pieces in this suite are shipped fully assembled via LTL to commercial destinations only. Please plan for your delivery accordingly.
