Installing box leg on a "L" desk

- 1 Assemble box leg.

- 2 Flip table top upside down to attach box legs.

- 3 Flip table right side up.

- 4 Remove top drawers from storage by pulling out the drawers and lifting up on the lever on the sides of the drawers.

- 5 Attach the short table top to the top on the storage. Secure with screws by inserting screws in from underneath the top of the storage. Then return top drawers.

- 6 Attach two table tops together using two brackets. Attach the brackets to each table from underneath.

- 7 Lastly attach the modesty panel using brackets from underneath the table as shown.

This is how the finished product should look.
